Advanced Filtration & Ozone System

Advanced filtration & Ozone system ensures constant water clarity & hygiene is maintained.

Smart Technology & Wifi Connection

What is Micro Silk?

MicroSilk® technology is the process of producing bubbles only 2% the size of a normal bubbles. These micro bubbles have 70% more oxygen than normal water and so gives a cloudy silky look. The Bubbles penetrate gently into the pores of the skin and remove toxins & moisturise the skin.

Lights & Entertainment

The Revive hot tub is equipped with both multi coloured Led lights and a complete audio system for added ambience & entertainment.

Free Steps & Spa Cover

The price for the hot tub includes complimentary matching steps and insulated spa cover.
